

Paul Dolan
Chief Operating Officer, Aviation Technical Services

A seasoned executive with over 21 years of leadership experience in the aviation industry, Paul has been with Aviation Technical Service (ATS) since early 2016. Prior to ATS, Paul gained deep aerospace and technology industry experience in executive leadership positions as Vice President, Commercial Aerospace and Military Strategic Business Units with Chromalloy Gas Turbine, LLC and as Vice President, Sales & Marketing for Avioserv San Diego, Inc.

Paul served nine years in the U.S. Navy as an F/A-18 Strike Fighter Pilot and flew multiple missions in support of Operation Southern Watch in the Persian Gulf.

He holds an MBA from the Marshall School of Business at the University of Southern California, a M.S. in Aeronautical Engineering from the Georgia Institute of Technology, and a B.S. with distinction in Mechanical Engineering from the U.S. Naval Academy.

Paul serves as a member of the Executive Council for Greater Seattle Partners and as a member of the Executive Committee for the Economic Alliance of Snohomish County. Both organizations focus on Economic Development in the greater Seattle area.

Since 2018, Paul has been a member of the DoD Defense Business Board providing private industry perspective and advice to the Secretary of Defense on business reform matters.
