

DEFENSE BUSINESS BOARD

Paul Dolan
President, ATS Airframe Services

Paul Dolan is President, ATS Airframe Services. ATS provides a portfolio of complementary aviation related services worldwide, including airframe maintenance, component repair, asset management, replacement parts and engineering.

Paul joined ATS in February 2016. Prior to ATS, Paul served in several leadership positions with Chromalloy Gas Turbine, LLC, a portfolio company of THE CARLYE GROUP.

Paul served nine years in the U.S. Navy as an F/A-18 Strike Fighter Pilot and flew multiple missions in support of Operation Southern Watch in the Persian Gulf.

He holds an MBA from the Marshall School of Business at the University of Southern California, a M.S. in Aeronautical Engineering from the Georgia Institute of Technology, and a B.S. with distinction in Mechanical Engineering from the U.S. Naval Academy.

Paul serves as a member of the Executive Council for Greater Seattle Partners and as Chair of the Executive Committee for the Economic Alliance of Snohomish County. Both organizations focus on Economic Development in the greater Seattle area.

Paul is a member of the DoD Defense Business Board providing private industry perspective and advice to the Secretary of Defense on business reform matters.
