

DEFENSE BUSINESS BOARD

Future Work

Michael Bayer
Chairman

Pending Task Groups

- **Best Practices for the Business of Test and Evaluation** - Examine T&E organizational structure and overhead -- *Best practices review*
- **Selection of Senior Officials in the Acquisition Workforce** - Direct task from the HASC -- *Examine barriers to appointment*

Possible Future Topics

- **De-conflicting acquisitions oversight** - Study the myriad processes of audit and management entities that oversee acquisitions in DoD – 20-year comparison of quantity/quality/overlap; how they have changed over time
- **DoD Dependent Schools** - Examine the cost vs. benefit vs. equities distribution for the total DoD population
- **Non-Appropriated Fund (NAF) business lines** - Assess the long-term financial viability of each of the NAF entities, including any needs for periodic capital expenditure
