The latest version of the agenda will be available on the Board’s website at: <https://dbb.defense.gov/Meetings/Meeting-August10-2022/>.

Meeting Accessibility: In accordance with Section 10(d) of the FACA and 41 CFR 102–3.155, it is hereby determined that portions of the August 9–10, 2022 meeting of the Board will include classified information and other matters covered by 5 U.S.C. 552b(c)(1) and that, accordingly, the meeting will be closed to the public on August 9, 2022 from 9:45 a.m. to 11:00 a.m. and from 6:00 p.m. to 7:30 p.m. and on August 10, 2022 from 9:05 a.m. to 11:35 a.m. and from 1:00 p.m. to 3:10 p.m. This determination is based on the consideration that it is expected that discussions throughout these periods will involve classified matters of national security. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of these portions of the meeting. To permit these portions of the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the Board’s findings and recommendations to the Secretary of Defense and to the Deputy Secretary of Defense. Pursuant to section 10(a)(1) of the FACA and 41 CFR 102–3.140, the portion of the meeting on August 9, 2022 from 2:10 p.m. to 4:00 p.m. is open to the public. Persons desiring to attend the public session are required to register. To attend the public session submit your name, affiliation/organization, telephone number, and email contact information to the Board at osd.pentagon.odam.mbx.defense-business-board@mail.mil. Requests to attend the public session must be received no later than 12:00 p.m. on Monday, August 8, 2022. Upon receipt of this information, the Board will provide further instructions for telephonically attending the meeting.

Written Comments and Statements: Pursuant to 41 CFR 102–3.105(j) and 102–3.140 and section 10(a)(3) of the FACA, the public or interested organizations may submit written comments or statements to the Board in response to the stated agenda of the meeting or in regard to the Board’s

mission in general. Written comments or statements should be submitted to Ms. Jennifer Hill, the Designated Federal Officer, via electronic mail (the preferred mode of submission) at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. Each page of the comment or statement must include the author's name, title or affiliation, address, and daytime phone number. The Designated Federal Officer must receive written comments or statements being submitted in response to the agenda set forth in this notice by Monday, August 8, 2022 to be considered by the Board. The Designated Federal Officer will review all timely submitted written comments or statements with the Board Chair, and ensure the comments are provided to all members of the Board before the meeting. Written comments or statements received after this date may not be provided to the Board until its next scheduled meeting. Please note that all submitted comments and statements will be treated as public documents and will be made available for public inspection, including, but not limited to, being posted on the Board's website.

Needs and Uses: In a memo dated 26 February 2021, the Secretary of Defense required the Military Departments to ensure that at least half of their identified violence prevention workforce receives initial training by 31 December 2021, with the entire workforce trained by 30 June 2022. To meet this need, the Office of Force Resiliency's Violence Prevention Cell has developed an integrated violence prevention curriculum, titled DoD SPARX Knowledge, to establish a common base of knowledge within the prevention workforce. needed. The curriculum is appropriate for Service Members and DoD civilians serving in violence prevention roles and is broken into modules that align with the prevention process of the Prevention Plan of Action and the data-informed actions of the Integrated Prevention Policy. The overarching goal of the DoD SPARX Knowledge training is to equip the prevention workforce with the appropriate knowledge, skills, and resources to select, implement, and evaluate research-based prevention activities.
